October 15, 2014

Dear Parents:

Carnegie School has chosen to use CompassLearning Odyssey®, a Web-based curriculum, to enhance your child’s educational experience in the classroom and at home. It is a valuable resource to reinforce reading, writing, mathematics, science and social studies skills. Your child has been assessed using the NWEA MAP diagnostic program, their skills have been evaluated, and standards needing extra practice have been identified. Activities to improve student knowledge are available on-line to your child.

If you have Internet access at home, your student can work on these activities at home as well as at school. To get to the website, follow these simple steps:

- **Odyssey website address:** [http://www.compasslearningodyssey.com](http://www.compasslearningodyssey.com)
- **Username and Password:** If the student has a CPS network user name, it will be both the user name and password for the student (ex. *EGJones / EGJones*).
- **School:** Carnegie

In order to proceed successfully with your home use, the workstation must be properly set up, including browser and plug-in installation. To ensure that a workstation is properly set up to run the CompassLearning Odyssey program, you will need to verify that all minimum software requirements are met. A requirements list is available by clicking the System Requirements button on the CompassLearning Odyssey home page. The system check option on the System Requirements page provides assistance in this effort by checking the operating system, browser version, specific browser settings, and plug-ins. Click the Check System button to start the system check.

For additional assistance in setting up your systems, refer to our Support page at [http://support.compasslearning.com/faq](http://support.compasslearning.com/faq). You may also contact CompassLearning Customer Support at Email [support@compasslearning.com](mailto:support@compasslearning.com) or Web [http://support.compasslearning.com](http://support.compasslearning.com)

Thank you for your continued educational support.

Mrs. D. Pollard
Principal
Parents,
Just a Reminder!

Picture Day

is scheduled for Thursday, October 16th
for all students.
To pay by credit card visit mylifetouch.com, write the payment code on the envelope and return the envelope with your child.
Cash/Money Order payment envelopes were sent home last week.

Students may be Out of Uniform for the day!
