Google Classroom Parent Workshop August 25, 2020

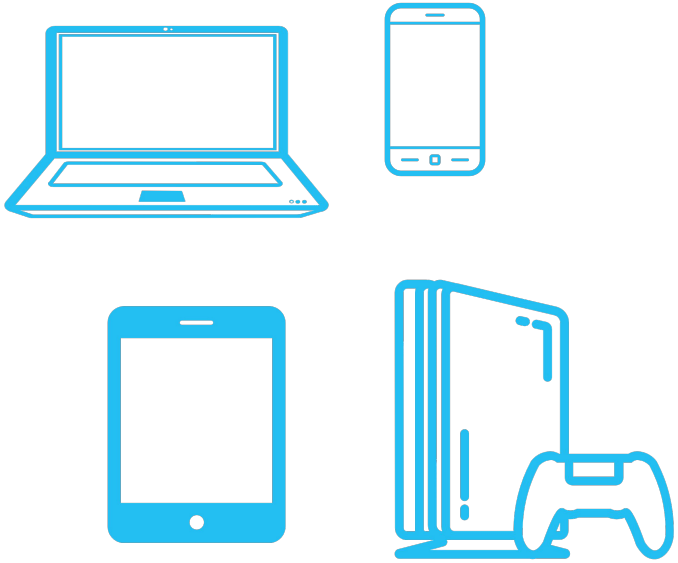
Presented by: Dr. Coleman

Google Classroom

Teachers use Google Classroom to

- Share materials and resources
- Distribute assignments
- Give feedback
- Communicate

Which devices can I use?



Access from many devices

- Google Chrome on a laptop or desktop computer
- Chromebook
- Smart Phone
- Tablet
- Gaming Device

Accessing Google Classroom

Start here:

google.cps.edu

To access Google Classroom, you will need your child's CPS username and password.

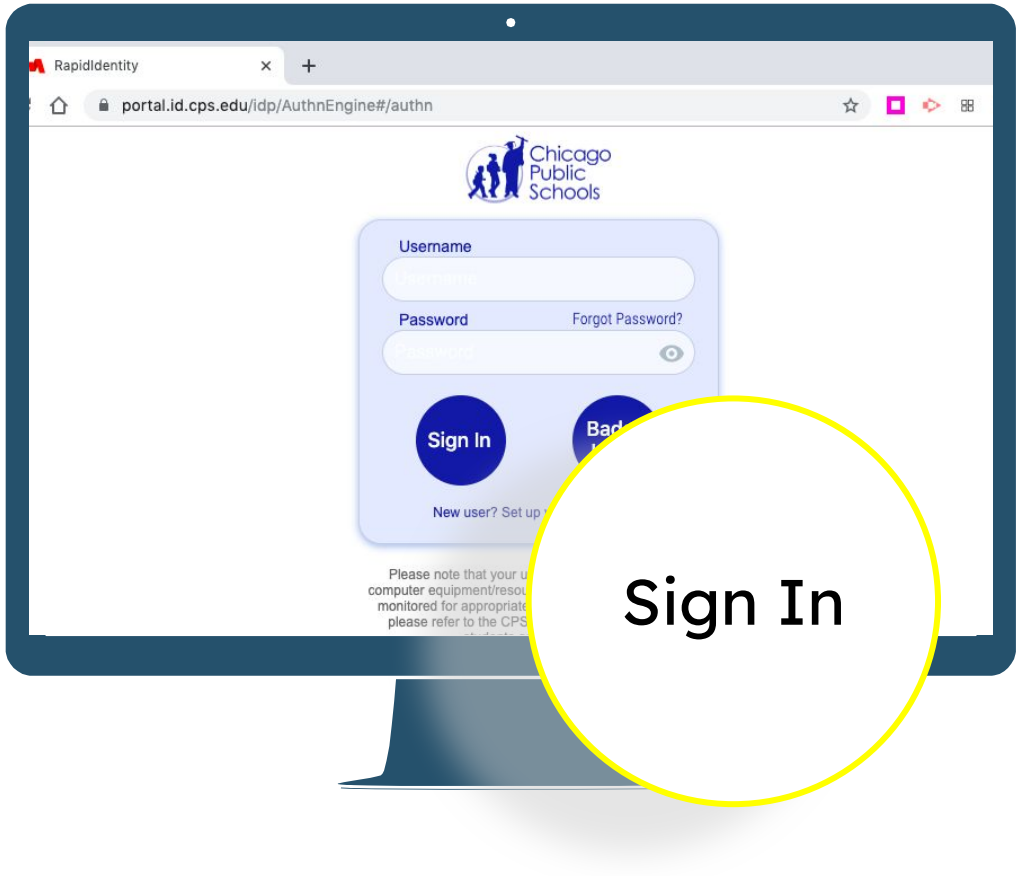
If you do not know the username and password, contact your child's teacher.

Enter student Username

(without @cps.edu)

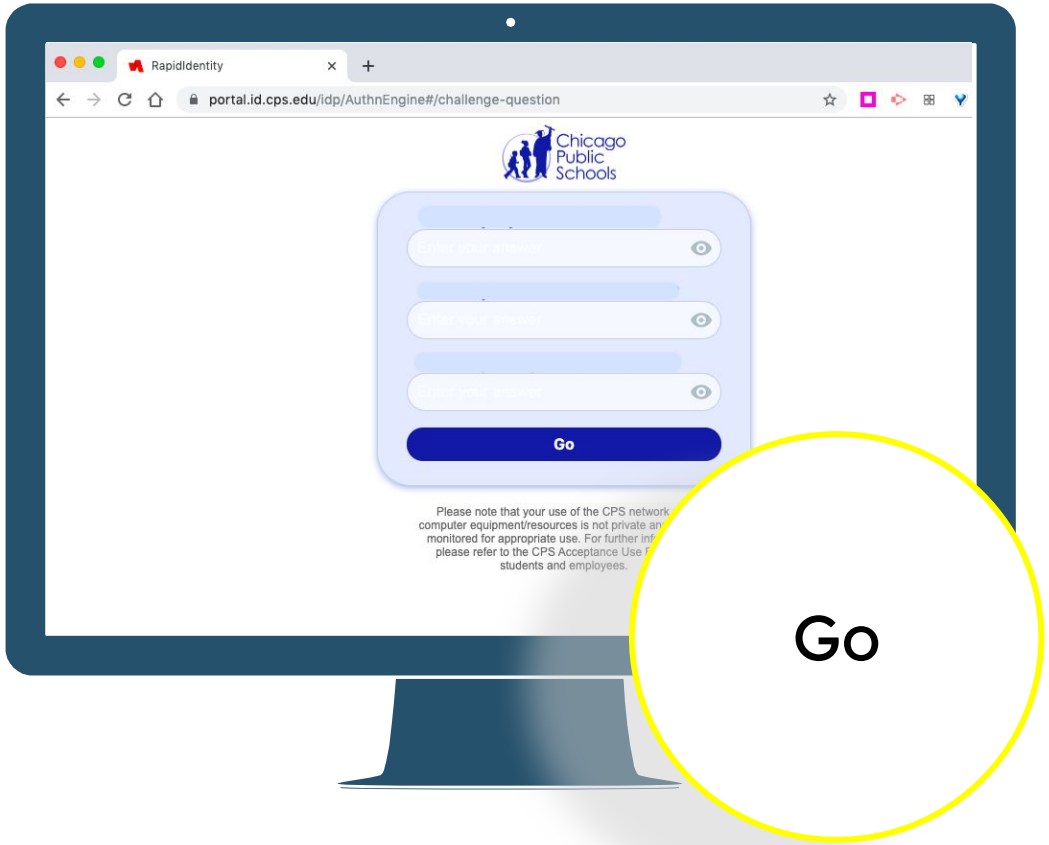
Enter student Password

Click “Sign In”



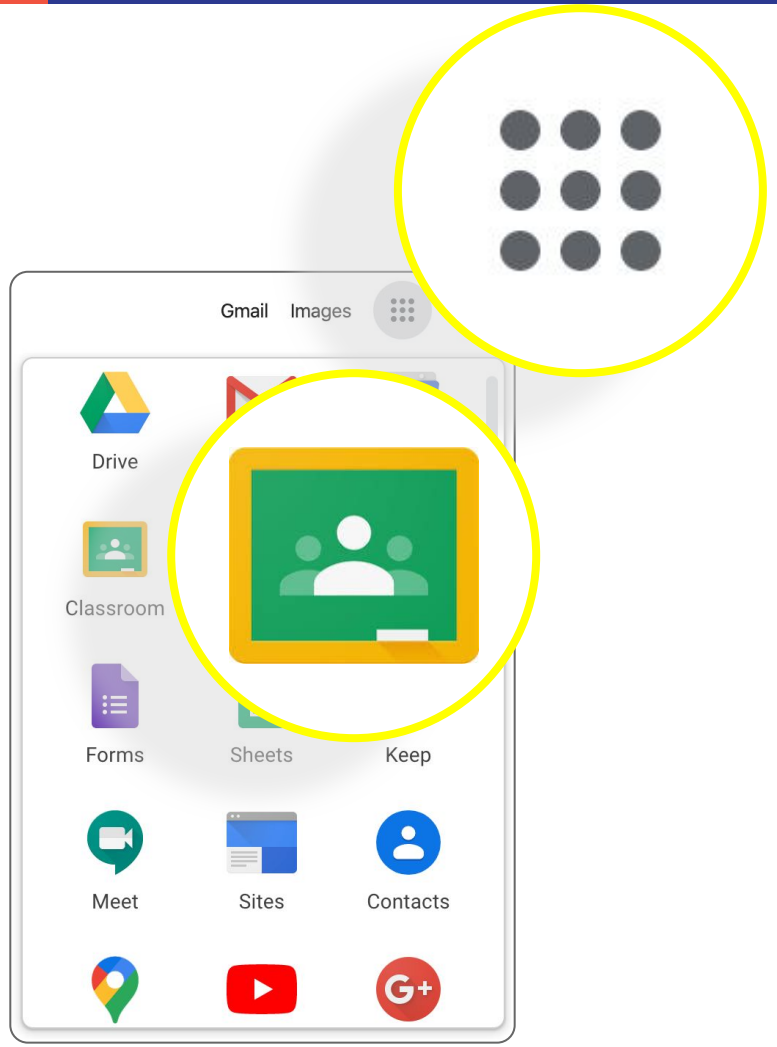
Young students DO NOT NEED to answer the 3 security questions.

Just Click Go.

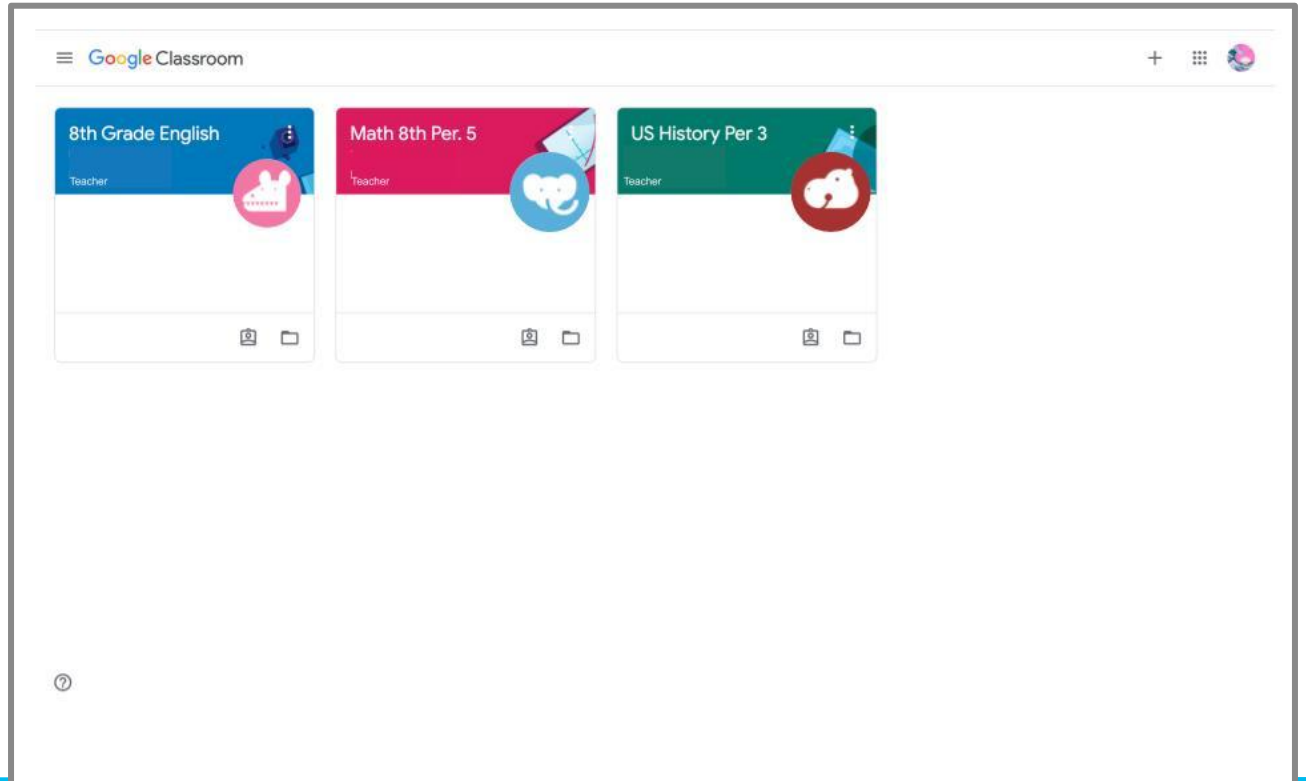


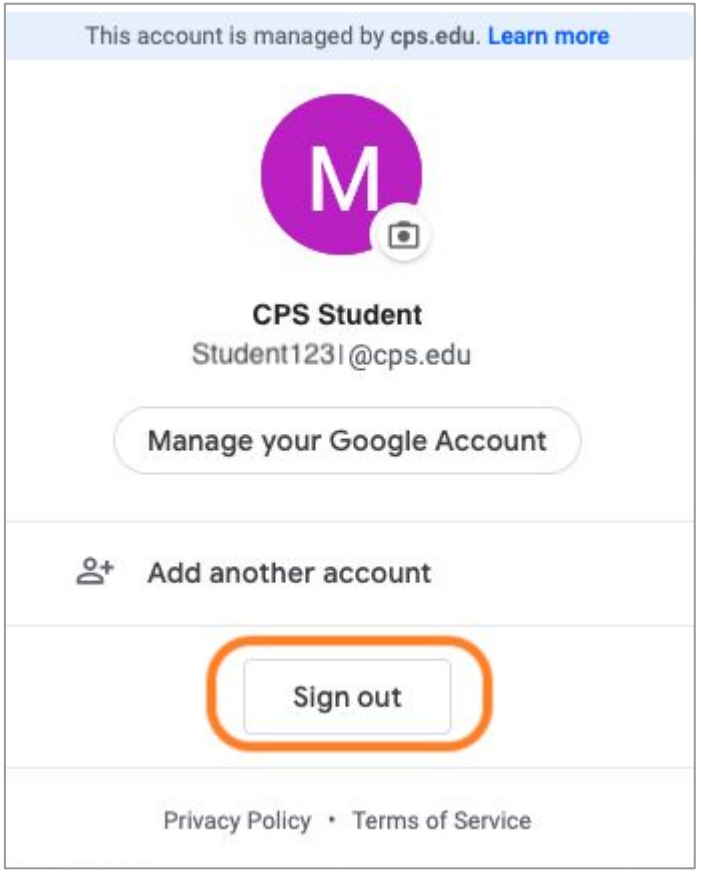
Click on the “waffle” icon to see the CPS Google Apps.

Click the Google Classroom icon.



Click a class to see what's going on!





Tip!

If you are sharing devices among multiple users, you may need to sign out of one account before signing in to another.

Google Classrooms can only be accessed with cps.edu accounts.

Carnegie Online Programs

- IXL
- IREADY
- Khan Academy
- Flocabulary
- Thinkcerca
- Power of Teaching Math
- Envision Math (K-5)

Sample Schedule for Math Class

8:45-9:00 SEL (How are students doing?)

9:00-9:15 Problem of the Day

9:15-9:30 Multiplying Fractions (Teacher directed)

9:30-10:00 Students continue to work in small groups or independently

QUESTIONS???

Now lets run through some of the ways teachers can/will present material to your students. Please remember to:

- mute your computer
- actively participate
- use comment area for questions

Thank you for your participation. I hope you have found this presentation helpful. I will leave this google classroom open so that you may ask questions throughout the first month of school.

Need Technical Support?????

- Contact the school/your child's teacher during their virtual office hours
- Call CPS Parent Technical support 773-417-1060
